

July 29, 2023

Unifor continues to grow as 800 workers at the Original Cakerie bakery and Twin Lakes Terrace long-term care will join the union, taking a big step toward improving their jobs. As the union prepares to kick off Auto Talks 2023, leadership tours the Ford Oakville Assembly and Stellantis Brampton Assembly plants and GM commits to a new battery module facility at CAMI Ingersoll. Read Lana Payne's op-ed on Canada's industrial strategy. Plus, the union calls on the federal government to reverse course on VIA Rail privatization in the new expansion of the corridor.
