

October 14, 2024

Members raise awareness for MMIWG2S, health care workers discuss working conditions at annual conference, rail workers at CN and CPKC face bargaining challenges, more workers at Pearson airport join Unifor, members mobilize in three ongoing provincial elections, and more.

 **WHAT'S HOT**

Unifor's health care conference empowers health care workers in the fight for better working conditions and an improved health care system for all.

 **TAKE ACTION**

Tomorrow is the deadline to register for the Health, Safety and Environment Conference. Sign up now!
