

Adopt A Family Christmas Raffle 2025

We'd like to give a big shout out to our little local with the big heart for another successful "Adopt A Family Christmas Raffle".

With the help of some Community sponsors, we were able to raise \$1945.00 with the implant pitching in to top it up to make it a nice round \$2000.00. With these funds, we were able to adopt 2 local families this year.

Our first special family is a single mother of a little girl 5yr old with a Newborn, and our second special family is a single mother of the cutest 3yr old twins, 1 girl and 1 boy and a 5yr old little girl.

We would like to thank Santa's elves Sisters Mariola Lombardi, Tracey Lauzon, Tammy Dempsey, Patti Xanthakos, Nancy Turner, Paul Freison and Mary Jephson.

Great to see this Christmas tradition carry on, it's been around for about 29yrs or so. Maybe one of our seasoned members can let us know the year it actually started?

Thanks again to Local 584 for making this Christmas miracle memorable for 2 local families in need.

Merry Christmas and a Happy New Year!

in Solidarity
